

NOTICE

To Consumers, and Former Consumers, of Poudre Valley REA for Unclaimed Funds REFER TO THIS LIST TO SEE IF YOU ARE OWED MONEY FROM POUDDRE VALLEY REA

Each year the Poudre Valley REA board of directors reviews the association's financial health and determines how much, if any, retained capital should be returned to our members. Last year the board of directors approved the retirement of \$3 million in allocated capital credits from 2002, 2003 and 2015. Consumers who received service from Poudre Valley REA in those years, and accumulated retired credits of \$10 or more, received a check in the mail last September. PVREA was unable to return \$356,589 to 8,244 of our members because of a bad address on file or the member simply did not cash the check. If your name is on the list, give us a call so we can determine if you have money coming to you.

If you were a consumer of Poudre Valley REA during any of the years 2002, 2003 and/or 2015, please look for your name in this notice.

If you see a name you recognize contact us at:
